|G                    Am                    Bm                    Am                    G  
Go away from my window    leave at your own chosen speed  
                                 Am                    Bm                    Am                    G  
I'm not the one you want babe    I'm not the one you need  
Bm                    Am                    Bm                    Am  
You say you're lookin' for someone    who's never weak but always strong  
Bm                    Am                    Bm                    Am  
To protect you and defend you    whether you are right or wrong  
C                    D  
Someone to open each and every door~

G	C	D	G
But it ain't me babe	a-no no no	it ain't me babe	
C	D	G	G   Bm   Am   Bm Am   G   G
Well it ain't me	you're lookin' for babe		

|G                    Am                    Bm    Am                    G  
Go lightly from the ledge babe    go lightly on the ground  
                                 Am                    Bm    Am                    G  
I'm not the one you want babe    I'll only lead you down  
Bm                    Am                    Bm                    Am  
You say you're lookin' for someone    who'll promise never to part  
Bm                    Am                    Bm                    Am  
Someone to close his eyes to you    someone to close his heart  
C                    D  
Someone who will die for you and more~

G	C	D	G
But it ain't me babe	a-no no no	it ain't me babe	
C	D	G	C                    D                    G
Well it ain't me	you're lookin' for babe	no it ain't me	you're lookin' for babe
C	D	G	C                    D                    G
I said-a no-no-no	it ain't me babe	I said-a no-no-no	it ain't me babe
C	D	G	C D   G 1-strum
I said-a no-no-no	it ain't me babe
