IT HAD TO BE YOU
Intro:  Dm7 - - - G7  (can sub Dm for Dm7)
N/C   Cmaj7  C6       A7  A9
It had to be you.       It had to be you.
                D7
I wandered around, finally found somebody who
                G   E7               Am
Could make me be true, could make me feel blue,
                D7                 G7
And even be glad just to be sad thinking of you.
                N/C    Cmaj7  C6       A7  A9
Some others I've seen might never be mean,
                D7
Might never be cross or try to be boss,
                C                     Cmaj7                    C6
But they wouldn't do,
                F                     Fm
For nobody else gives me a thrill,
                Am                  A7                   A9
With all your faults I love you still.
                G7
It had to be you, wonderful you. It had to be you.
