## Jamaica Farewell

Down the way where the nights are gay and the sun shines daily  
C F G7

On the mountain top I took a trip on a sailing ship  
G7 C

And when I reached Jamaica I made a stop

But I'm sad to say I'm on my way won't be back for many a day  
C F G7 C

My heart is down my head is turning around  
F

I had to leave a little girl in Kingston town  
G7 C

Sounds of laughter everywhere and the dancing girls  
F G7 C

Swaying to and fro I must declare my heart is there  
C F

Though I've been from Maine to Mexico  
G7 C

But I'm sad to say I'm on my way won't be back for many a day  
C F G7 C

My heart is down my head is turning around  
F

I had to leave a little girl in Kingston town  
G7 C

Down at the market you can hear ladies cry out while  
F G7 C

On their heads they bear ake rice salt fish are nice  
C F

And the rum is fine any time of year  
G7 C

But I'm sad to say I'm on my way won't be back for many a day  
C F G7 C

My heart is down my head is turning around  
F

I had to leave a little girl in Kingston town  
G7 C
