When the night has come,   and the land is dark,

           C   D7   G

And the moon is the only light we'll see.

                            Em

No, I won't be afraid. Oh,   I won't be afraid,

           C   D7   G

Just as long as you stand, stand by me.

Em

CHORUS: So darlin' darlin', stand by me,

                 Em   **C**

      Oh, stand by me, whoa, stand now,

D7   **G**

      Stand by me, stand by me.

                                     Em

If the sky that we look upon, should tumble and fall,

           C   D7   G

Or the mountain should crumble to the sea,

                         Em

I won't cry, I won't cry, no, I won't shed a tear,

           C   D7   G

Just as long as you stand, stand by me.

CHORUS

       Whenever you're in trouble, won't you stand by me,

           Em

Whoah, stand by me,

             C   D7   G

Whoah, stand now,   stand by me,   stand by me. (fade out)
